DEPARTMENT of AGRICULTURE
COMMISSIONERS OFFICE.

Oct 20. 1884

My Dear Sir -

As you have so
kind as to write us
& say you a visit, I write
to say that we hope to be
at Boston, & to visit
Cambridge on Thursday
Oct 30, having to sail
for Quebec on Nov 1.
We think however it
will be better to make
our headquarters at

Boston, but I shall be
glad to know whether
we shall have the
pleasure of seeing Mrs
Gray and yourself
if we go over on Monday?

We expect to be in
New York on Monday
next, and our address there
for a day or two will be

Brunswick Hotel

With kindest regards to
Mrs Gray & yourself

in which I am
joined, I am,

My dear Sir

Yours very sincerely
